Early Support for the learning of the German language in the City of Schaffhausen / Language Status Survey 2020

Child: «Vorname» «NameEinwohner»

Dear Parents

Your child «**Vorname**» is expected to start school in August 2021. The first school level is kindergarten (nursery school). It is important that when reaching this school level, your child understands the teacher and communicates with simple words in German. The earlier your child comes into contact with the German language, (for example, taking part in a playgroup or day care center), the easier it will be for him or her to learn the first skills of this language.

Regarding this matter, we will send you a question sheet to fill out. This will enable you to estimate your child's language level in German as a second language. The question sheets are available in 12 languages (Albanian, Arabic, Bosnian/Croatian/Serbian, German, English, French, Italian, Portuguese, Spanish, Tamil, Tigrinya, Turkish). You may order them from the City of Schaffhausen under the telephone number +41 52 632 53 51 or download them from the Internet at the following link:

www.schulen-stadtsh.ch → Frühe Förderung

Please return the completed question sheet until **31. January 2020**. Note the use of the already stamped reply envelope.

We will be happy to assist you in filling out the question sheet. In case you need translation, we will provide you a translator. We are reachable under the telephone number +41 52 632 53 51 or via E-Mail (kathrin.borer@stsh.ch).

After the evaluation of the question sheet we will inform you about your child's language level and suitable language support options.

Thank you very much for your valuable cooperation!

Kind regards
